Sub: Extension of approval to COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY,
COCHIN UNIV. P.O. COCHIN-682022 for the year 2005-06-reg.

Sir/ Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality** is not compromised and stakeholders are satisfied. The Council also undertakes **Annual Inspection** of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

In case of **Government/Government aided institutions/Universities departments**, the Council has been specially **supportive and sympathetic** on account of the fact that Government institutions provide technical education at a reasonable cost besides transparent admissions. It is however a matter of regret that many such institutions suffer from critical deficiencies of faculty and other requirements. Feed back of students with regard to quality of education imparted by some institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortages in key areas evoking serious concern.

Your institution, on appraisal, has been found to be suffering from several deficiencies which are listed in **Annexure-A** for your perusal. Non-availability of faculty is the most serious one.

The deficiencies, particularly with reference to faculty, are of grave concern to the Council. In spite of this, it has been decided that approval in respect of your institution for the year 2005-06 as indicated below, be given with the hope that you shall take urgent steps to rectify deficiencies, particularly shortage of faculty. The Council shall monitor progress in this regard carefully and shall be constrained to put your institution in **no admission/reduced intake category** for the year 2006-07 in case of noncompliance. The approved course(s) along with recommended intake for the year 2005-06 in respect of **COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY, COCHIN UNIV. P.O. COCHIN-682022** is as under:-
